

The Treasure Hunt

There are treasures to be discovered that have been deposited within us through the Holy Spirit when we surrendered to Jesus as Lord and Savior of our lives. Holy Spirit is the greatest treasure we have received, and as we abide in Him, the Holy Spirit reveals all these treasures within us! Join us these 8 weeks as we dive into some of these great treasures laid out in scripture!

Format:

1. Each week we will focus on a different treasure that has been deposited in us through the Holy Spirit. There is one page document for each lesson with scriptures, tools & questions to help you dig. You can access this via the LHG page on the Radiant website: www.radiantchurch.us
2. Each person will dig into each treasure for a week and then go to their group to share the insights they have received from the Holy Spirit and the Word of God in order to strengthen and encourage one another in Christ. We really encourage you to dig in so you can go deeper in your walk with Christ!
3. We will follow up each group session with a Sunday message on the topic discussed during that week's LHG.

Simple Breakdown:

- a. Study & Dig (for the week prior to group- utilize the document)
- b. Share & Discuss (at group)
- c. Sermon (the Sunday after group)

Example: Week 1- The Kingdom of God

- a. Study & Dig: (for the week prior to group- **week of March 9**)
- b. Share & Discuss (at group- **week of March 16**)
- c. Sermon (*The Kingdom of God* Sunday message- **on Sunday, March 23**)

(Each treasure is listed on the Radiant Church website with an attached document containing tools, scriptures & questions to help you start digging: Click [HERE](#) for the LHG page on the website to view the info.)

Things to Remember as you begin 'The Treasure Hunt':

To find Treasure, you have to dig for it. No one else can do it for you! It takes time, intentionality & commitment to go deeper in the Lord and discover the treasures that He has deposited in you through the Holy Spirit!

Prayer

Pray and ask Holy Spirit to give you insight, knowledge and revelation of the deeper parts of these topics in the Treasure Hunt. *(If you pray in the Spirit, do so with your focus upon that topic or section of scripture.)*

The Word

Read, study and meditate upon the verses or phrases or even a word the Holy Spirit highlights. As you spend time with it, that verse, phrase or word may be the beginning of finding your treasure.

[Note: To meditate means to think repeatedly about it, to chew it and look at it from different perspectives. Meditating on God's Word and being quiet before the Lord will help you hear from Holy Spirit and in so doing, find your treasure.]

Keep a Record- Journaling

If you're into writing, journal your thoughts and insights about what you have discovered. There is something amazing about going back to see all the gold nuggets God has revealed to you throughout your walk and journey with Him!

Tools for Study

Cross reference your verse with other verses on Bible Hub.
You can do an online word study using Blue Letter Bible.
